PROJECT LOCATION INSIDE DHOLERA SIR

TOWN PLANNING - 2 EAST, DHOLERA SIR | VILLAGE DHOLERA

Dholera SIR will be home to non-polluting industries promoting a clean, green and sustainable urban development which can contribute to the growth of the region and India. Some of the identified sectors are:

SMART HOMES
Building Smart India

DHOLERA SIR, “A NEW GUJARAT, WITHIN GUJARAT”

“Dholera SIR will be developed better than Delhi and six times bigger than Shanghai ”
Modi Ji said at Vibrant Gujarat Investors Summit

- ✓ Dholera SIR strategically located between the industrial cities of Ahmedabad, Baroda, Rajkot and Bhavnagar.
- ✓ Dholera City will be connected with Ahmedabad by a 6-lane access controlled expressway & MRTS (Metro Rail) in one common corridor providing seamless connectivity & Rail-Road transition as an effective means of transportation between the 2 cities.
- ✓ An international airport is being developed to the North-East of DSIR by a SPV called Dholera International Airport Company Limited (DIACL). Airport has already received Environmental & Site clearance
- ✓ Dholera City will have its own self-sustaining eco-system consisting of economic drivers through industrialisation, utility & logistic infrastructure, Social Infrastructure including education, healthcare and other public amenities.
- ✓ Project goals of Dholera SIR is to double the employment potential, triple industrial output, and quadruple exports.
- ✓ The smart city of Dholera will get stormwater drains, underground ducts, electricity and water supply, wastewater discharge, wide roads as well as good connectivity.
- ✓ The Dholera smart city will have 11% of open green area which officials say will be the largest in the country.
- ✓ Interestingly, the tap water will be drinkable
